

§ 585.832

30 CFR Ch. V (7–1–13 Edition)

communication, and provide a written follow-up report (paper copy or electronically transmitted) within 15 business days after the incident:

- (1) Fatalities;
- (2) Incidents that require the evacuation of person(s) from the facility to shore or to another offshore facility;
- (3) Fires and explosions;
- (4) Collisions that result in property or equipment damage greater than \$25,000 (Collision means the act of a moving vessel (including an aircraft) striking another vessel, or striking a stationary vessel or object. Property or equipment damage means the cost of labor and material to restore all affected items to their condition before the damage, including, but not limited to, the OCS facility, a vessel, a helicopter, or the equipment. It does not include the cost of salvage, cleaning, dry docking, or demurrage);
- (5) Incidents involving structural damage to an OCS facility that is severe enough so that activities on the facility cannot continue until repairs are made;
- (6) Incidents involving crane or personnel/material handling activities, if they result in a fatality, injury, structural damage, or significant environmental damage;
- (7) Incidents that damage or disable safety systems or equipment (including firefighting systems);
- (8) Other incidents resulting in property or equipment damage greater than \$25,000; and
- (9) Any other incidents involving significant environmental damage, or harm.

(b) You must provide a written report of the following incidents to us within 15 days after the incident:

- (1) Any injuries that result in the injured person not being able to return to work or to all of their normal duties the day after the injury occurred; and
- (2) All incidents that require personnel on the facility to muster for evacuation for reasons not related to weather or drills.

§ 585.832 How do I report incidents requiring immediate notification?

For an incident requiring immediate notification under § 585.831(a), you must notify BOEM verbally after aiding the

injured and stabilizing the situation. Your verbal communication must provide the following information:

- (a) Date and time of occurrence;
- (b) Identification and contact information for the lessee, grant holder, or operator;
- (c) Contractor, and contractor representative's name and telephone number (if a contractor is involved in the incident or injury/fatality);
- (d) Lease number, OCS area, and block;
- (e) Platform/facility name and number, or cable or pipeline segment number;
- (f) Type of incident or injury/fatality;
- (g) Activity at time of incident; and
- (h) Description of the incident, damage, or injury/fatality.

§ 585.833 What are the reporting requirements for incidents requiring written notification?

(a) For any incident covered under § 585.831, you must submit a written report within 15 days after the incident to BOEM. The report must contain the following information:

- (1) Date and time of occurrence;
- (2) Identification and contact information for each lessee, grant holder, or operator;
- (3) Name and telephone number of the contractor and the contractor's representative, if a contractor is involved in the incident or injury;
- (4) Lease number, OCS area, and block;
- (5) Platform/facility name and number, or cable or pipeline segment number;
- (6) Type of incident or injury;
- (7) Activity at time of incident;
- (8) Description of incident, damage, or injury (including days away from work, restricted work, or job transfer), and any corrective action taken; and
- (9) Property or equipment damage estimate (in U.S. dollars).

(b) You may submit a report or form prepared for another agency in lieu of the written report required by paragraph (a) of this section if the report or form contains all required information.

(c) BOEM may require you to submit additional information about an incident on a case-by-case basis.
